Dear Colleague:

Your request to attend the North American Division Educational meeting to be held at Denver, Colorado was recently discussed by the House Committee. It was felt that it would be impossible for us to grant this request since it would take you out of the teaching program for over a week. It is also our understanding that attendance at this meeting is by invitation only, therefore, we feel that it would not be proper for us to send those who have not been invited.

I trust that you will understand our position in this matter and that you will be able to find local meetings that will be of value to you professionally.

Sincerely yours,

J. W. Cassell, Jr.
Academic Dean
